Hi David and Cameron,

Attached is a document containing your latest draft of the letter, survey and consent form, which has been slightly edited (red lining supplied) to address a few concerns we had. This attachment has the approval of both counties and the DNR (EPA has declined to comment on these). So, this is ready to go out as far as we are concerned. Let me know if you have any questions or concerns about this.

Cameron, I still have to get together a usable letterhead for both counties. I have some templates to work off of. If need be, I can just create one that should suffice. I will be in touch with you very soon about that.

My best,

David
